

## REMOVABLE BEAM COVER (GN3652)

### COVER UP THE OLD BEAM TO MAKE IT JUST LIKE NEW!

The Removable Beam Cover is a practical way to extend the life of a beam by allowing easy installation and compatibility with many 16' competition profile beam makes. The cover is identical to a standard beam body with a moisture absorbing, synthetic leather surface. The stretch fabric end caps allow quick tension adjustments creating ease to fit with multiple end cap types.
